Thank you for purchasing the Extended Use 3-day cooler Centigrade Ice Roller 20.

High Performance

Your Centigrade Ice Roller 20 is a high performance cooler specifically designed and built for extended use. This cooler features more and better insulation than other soft-side type coolers. Its high-grade 1"-thick polyurethane insulation combined with expanded polyethylene insulation allows you to keep ice for a full 5-day period without refill. Please visit our website for more details.

Specifications

Capacity: 20 cans (12oz cans), 12.5QT / 11.8L

Insulation: polyurethane (PU) and expanded polyethylene (EPE)

Construction: heavy-duty mildew resistant exterior with rigid liner interior

Telescopic luggage-rack handle with large all-terrain dual wheels

Carrying handles with padded Velcro strap

Exterior storage and optional adjustable internal compartment

Safety and maintenance

NOT FOR USE BY CHILDREN. This large-capacity cooler can be heavy when fully loaded.

Do not sit or place objects on top of the cooler.

Protect from the elements.

After each use, clean the inside of the cooler using mild soap and non-abrasive cloth. Keep cooler open until fully dry and store in a cool, dry place.

If your unit is equipped with a divider tray, clean using mild soap and non-abrasive cloth. **DO NOT** place in dishwasher.

This device is not intended for commercial or medical use.

Use ice, cubed ice, crushed ice or ice packs for best results.

Do not use to store chemicals, flammable materials, gasoline.
